Strategic Tax & Accountancy for Farms & Estates

Tax Executive

We are currently recruiting for a Tax Senior to join our highly qualified and friendly team of strategic tax and accountants for rural farms and estates. We are based in the delightful and charming village of Abbots Ripton, Cambridgeshire. We offer a varied, engaging and challenging role, which you will find rewarding both professionally and financially. We offer a range of benefits, both financial and non-financial, in this thriving and expanding sector.

Responsibilities

- Preparation of detailed personal tax returns, partnership tax returns, and corporation tax returns, together with the associated business tax computations, on a portfolio of farming clients.
- Liaising directly with the client in respect of their personal tax affairs and attending client meetings where necessary.
- Reporting directly to the Tax Manager and Tax Senior Manager.
- Work with other departments and tax team members to ensure joined up service and "one team" approach. Regard to be given to other team members workloads and deadlines.
- Provide support in dealing with telephone calls, client meetings and general office administration, and other duties where required.

Desired Qualifications and Skills

- ATT or CTA qualified or with relevant experience
- Previous experience of managing a portfolio and using tax return software
- Client focused and enthusiastic about delivering a high level of client service
- Good interpersonal and organisational skills
