Are you a qualified practice accountant or tax adviser?

Do you have experience with estates, agricultural clients and rural businesses or have roots in the sector and an understanding of its needs and challenges?

We are recruiting for additional members to join our highly qualified and friendly team. Your role will be varied, engaging and challenging and also rewarding, both professionally and financially.

In this thriving and expanding business we aim to deliver excellent client service while looking after our team and as such we offer a high level of flexibility and reward to the right candidate.

We work very differently to many practices and offer a level of strategic advice that goes above and beyond that of standard compliance.

Are you:

- Qualified in any one or a combination of AAT/ACA/ACCA/ATT/CTA/STEP?
- Ambitious and passionate about your career?
- Experienced in agricultural matters with an understanding of the sector needs and challenges?
- Literate with good IT skills?
- Client focused and conscientious?
- CCH literate?

If you are, in return for your skills, we can offer a custom built, flexible package that can be tailored to fit in with your family life. We believe in a healthy life/work balance and work hard with our individual team members to achieve this.

Our standard package includes:

Attractive Salary and Flexible Working

Matched pension contribution up to 6% of salary

Employee assistance Program

Life assurance x4 basic salary

Flexibility could include a degree of home working

Group income protection

LFB are based in the village of Abbots Ripton, Cambridgeshire where our office has ample parking and excellent amenities.
